

# Novavax update

#### Setting up your Novavax booking URL

- In the left-hand menu of PlusOne, go to Health Services Hub, click on the COVID-19 Program tile and enable Novavax COVID-19 Vaccination
- 2. Click Set up Booking Website
- Select the FIRST option Use MedAdvisor to accept bookings and list on the MedAdvisor website (Recommended). Your pharmacy's Covid-19 Novavax booking URL is shown at the bottom. You can use this URL on various platforms such as your website/social media etc.

The above URL is only for Covid-19 Novavax bookings. If you prefer to use your pharmacy's **Master Booking Link** to promote your Covid-19 vaccination program (one URL where patients can select the service they wish to book for), click here to <u>learn more.</u>

**HealthDirect:** MedAdvisor will provide your Covid-19 Novavax booking URL on your behalf to HealthDirect. It can take approx. 10 days for your booking URL to appear.

If you are using a 3<sup>rd</sup> party booking provider (eg HealthEngine), please contact them directly to confirm their process for listing your booking URL on HealthDirect.

*Note:* Standard SMS costs apply for booking confirmation and booking reminders. <u>https://www.mymedadvisor.com/plusone/pricing</u>. To disable SMS confirmations and reminders, go to Calendar > Settings > Booking Confirmation and Reminder Defaults

### Setting up calendar availability

To learn how to set up your calendar availability when offering multiple brands of Covid-19 vaccinations, view page 3-6 of the <u>Moderna Update</u> document.

## Sending patients an invite/reminder for Novavax

- 1. Go to **Health Services Hub.**
- 2. Select Covid-19 Vaccination tile and choose Novavax Covid-19 Vaccine
- 3. Click **Create Message** on the right hand panel.
- 4. A list of **eligible customers** will appear. This list does **not** show if or when the patient has had a dose of another brand of Covid vaccinations.
