3/3

Australia's #1 medication management app.

F

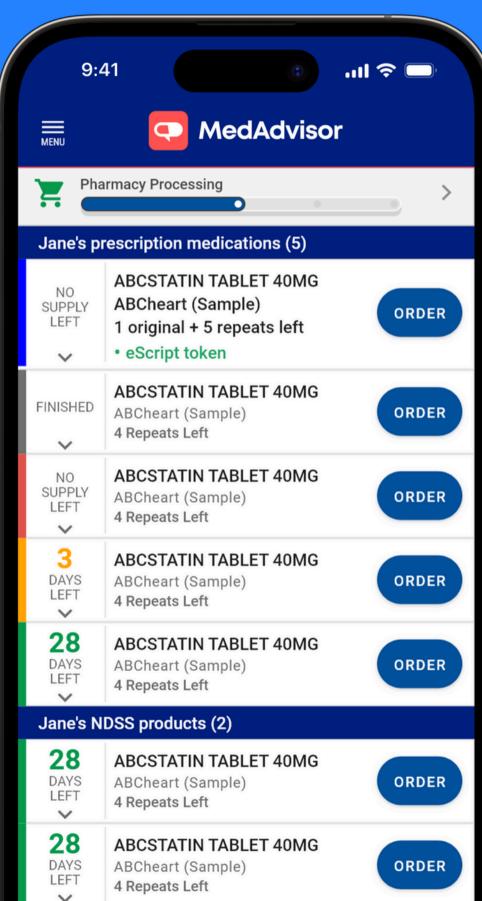

"Save time and order medications from home"

"Have your scripts ready to collect when you arrive at the pharmacy by ordering them on our app"

+	9:41 Checkout				
Please review your order					
Shipping and payment					
Ħ	Shipping method Delivery				
•	ABC Pharmacy ABC Pharmacy, Walburton 123 Bay Road, Walburton, VIC				
	Mastercard (0000)				
()	Opening hours Mon - Sun 7am to 7pm				
Generic brand preferred Where appropriate, I would prefer a less expensive generic brand.					
Remind me in 23 days					

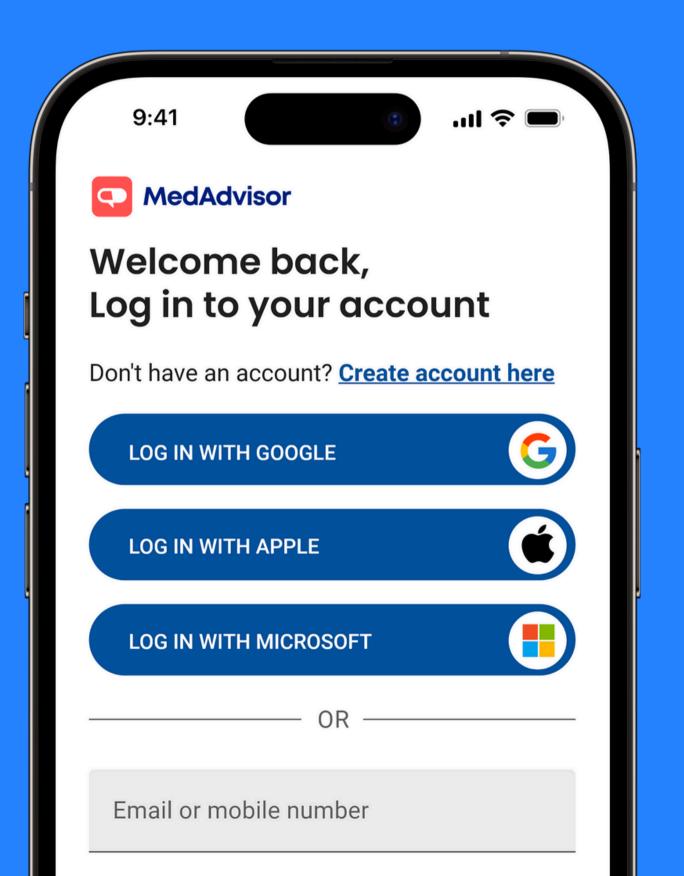

"We have an app which lets you see all of the scripts you keep on file at our pharmacy"

Handy Tip: great for customers who already keep their scripts on file

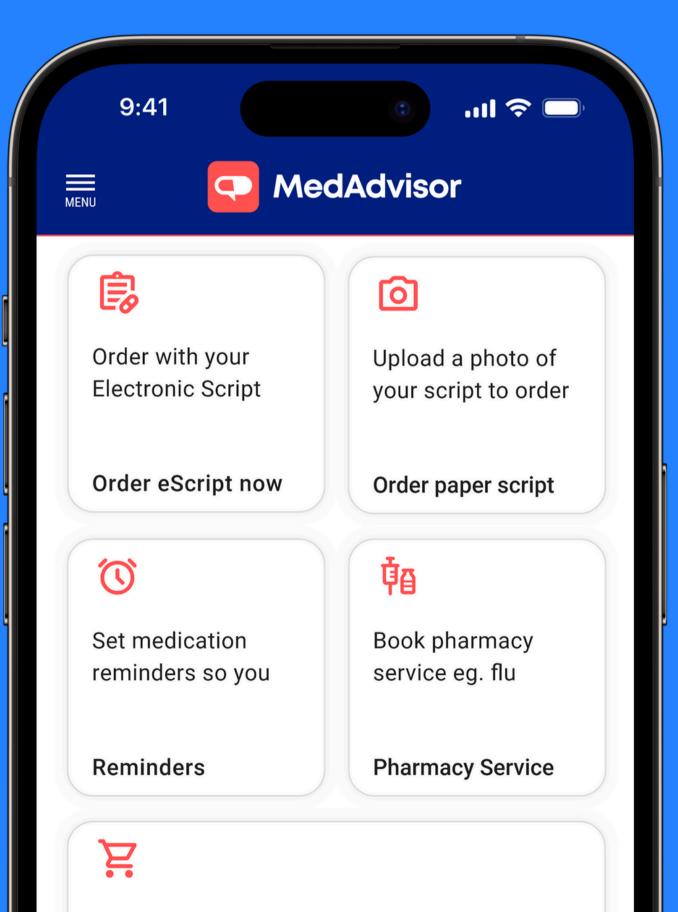

Handy Tip: sign up using social logins integration with Apple, Google and Microsoft accounts.

"It's easy and free to create an account"

"you can manage scripts for those you care for with our app"

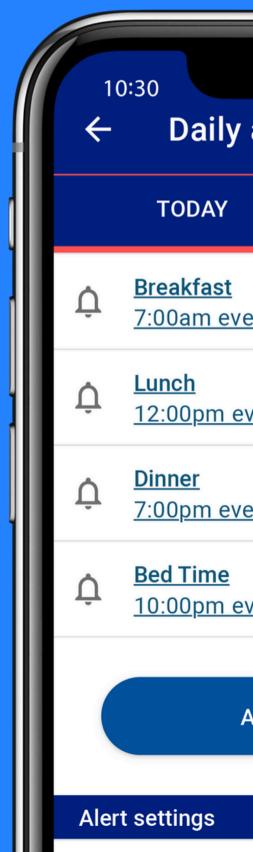

Shop over-the-counter items.

Add non-prescription meds

"You can get reminders when your supply is running low with our app"

Handy Tip: Customers can also use the Take – My – Meds feature to set alerts for doses during the day

"you can save time by ordering your NDSS products though our app"

Handy tip: the customer can set up reminders to re-order their strips

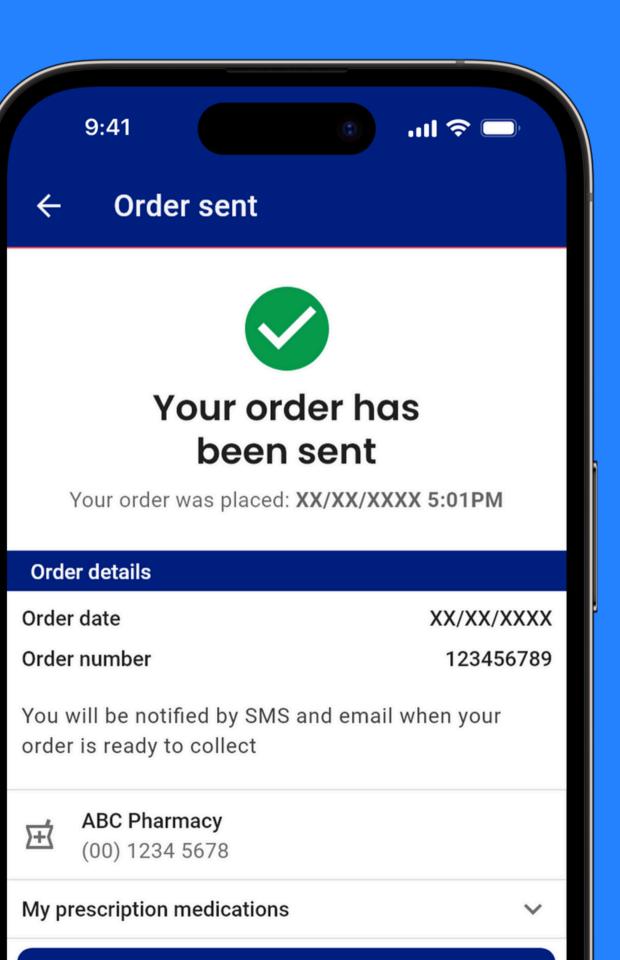

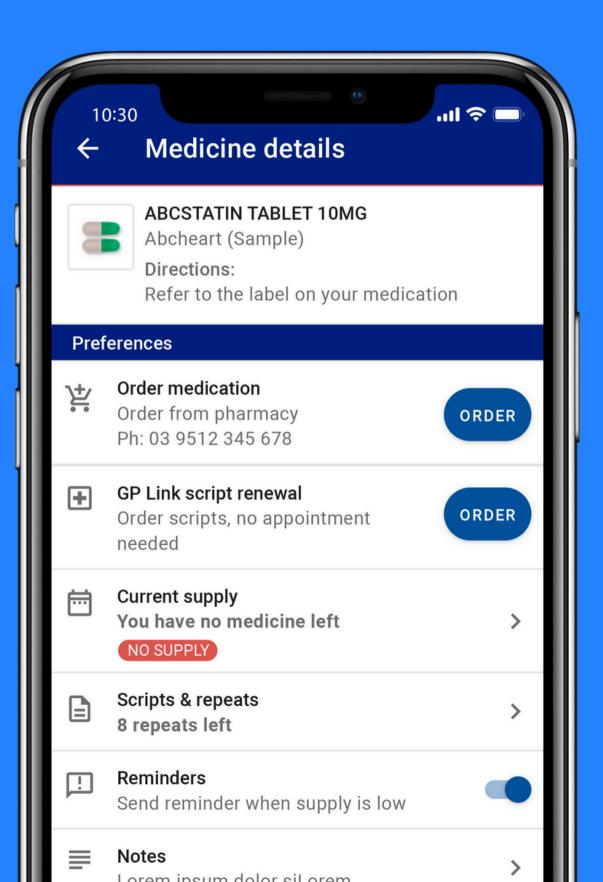

"You can save time next time you come in by easily pre-ordering your scripts with our app"

Handy Tip: the customer can add notes to you before they place their order

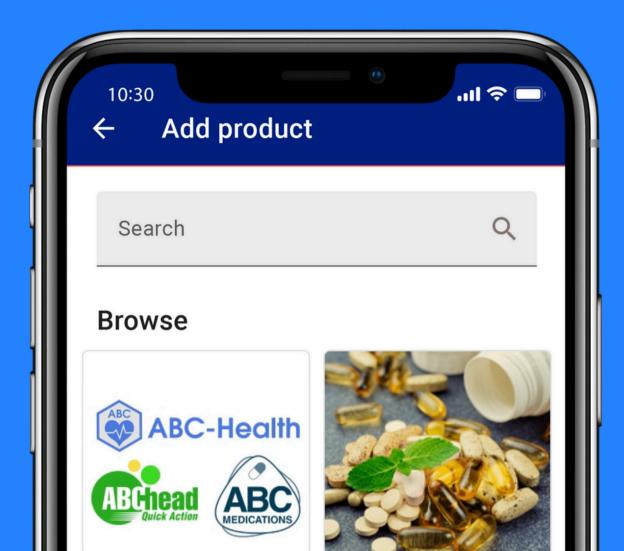

"you can access information about your prescription medications with our app"

Handy Tip: Customers have access to a CMI for all their medications with no need for the pharmacy to always print CMI

Featured brands

Vitamins

Pain

Cold and flu

"you can order common over the counter products through our app"

Handy tip: if the customer cannot locate a product they can select 'add custom product' to order the product they would like
